January 2020 Newsletter

WELCOME

Back in the Saddle

Our next WildFreedom class begins January 10. We are in need of lunches throughout the course. If you would like to donate a lunch for 15 people, please contact Maddy at runningwtrcmarketing@gmail.com

We also need volunteers for our WildFreedom class, which is every Friday, 11a-2p from January 10-March 27. All volunteers are screened to ensure participation is a good fit. If you would like to volunteer, contact Cyndie at runningwtrc@gmail.com

PATH therapeutic riding classes start back up the week of January 6th. We can always use volunteers in our TRC classes! Please contact Cyndie if you would like to volunteer.

The Youth Outreach program also begins a new class on January 14th. We need volunteers for this as well. It's a very special opportunity to invest in the lives of students who need a champion. Everyone who has gone through our program has been kind, respectful, and shown incredible progress.
